- Receive and record all executed contracts and other necessary documents for the Project
- Receive submittals, drawings, and building specifications; coordinate Facility Management team comments and return the documents to PSG for implementation
- Review funding requests on items outside the construction billings as submitted by PSG and give input to the Addition Committee as needed or requested
- Attend all necessary Project meetings
- Coordinate Furniture, Fixture & Equipment (FF&E) responsibilities for the Operations team
- Coordinate the Operations team's transition into the Addition per the established schedule
- Prepare monthly supplemental reports for the Addition Committee, identifying any concerns which may affect the Project
- Maintain a thorough understanding of all required duties, responsibilities, and procedures; perform all duties safely, effectively and efficiently
- Work within the established Project documentation and communication processes
- Represent the WSCC, both verbally and in writing, in a professional manner
- Manage assigned tasks to achieve completion within established schedule and budget

- continue -

- Coordinate contractor and vendor activities to fulfill required duties with WSCC staff to ensure that the work proceeds effectively and efficiently
- Provide additional services as may be required or requested by the Addition Committee

Supervisory Responsibilities

Supervise and coordinate work of certain other project management employees or contractors as required or necessary.

Education and Training

Bachelor's degree (B.A.) from a four-year college or university or equivalent combination of education and experience may be considered.

Experience and Skills

Requires a minimum of five (5) years direct experience at a professional level in project management or construction management, including work with large projects, in an architectural/engineering, construction organization or convention center setting.

Requires direct experience with architectural/construction quality control processes and software proficiency with Microsoft Word, Excel, Access, MS Project and other construction software applications that may be used for the Project.

Requires the ability to read, analyze and interpret documents such as architectural and engineering documents, construction documents, statistical information, contracts, procedures and specifications manuals. Ability to write routine reports and business correspondence. Ability to effectively communicate with all levels of WSCC staff and departments, managers, contractors and vendors. Ability to make presentations in a professional manner in one-on-one situations with small group both in person and over the phone. Ability to calculate figures and amounts such as discounts, interest, commissions, proportions, percentages, area, circumference and volume. Ability to apply common sense understanding to carry out general to detailed instructions furnished in written, oral, diagrammatic form to desired conclusion.
